

DON'T WAIT... BE READY!

NEW ANTIBIOTICS RULES

2017

The **NEW** Veterinary Feed Directive (VFD) for medically important feed-grade antibiotics and prescription rule for water-based antibiotics

TAKE EFFECT ON JANUARY 1, 2017.

Visit **pork.org/antibiotics**
for more information.

DYK?

Under the new FDA rules for on-farm antibiotic use, medically important antibiotics (for human use) can only be used for therapeutic use— to treat, control or prevent specific disease under veterinary guidance.

Producers, veterinarians, animal health companies, feed mills and feed suppliers, will all face NEW REQUIREMENTS, including expanded record-keeping.

Pork Producers
Association

Thank you all of those involved with this year's Breeding Swine Sale. The California Pork Producers Board of Directors has been engaged with the California State Fair to develop a sale that benefits the exhibitors and allows for genetics within the State to be purchased. We thank you for your continued involvement.

Thank you to the buyers and exhibitors for your continued support for our industry.
